

Exposition Bike Path Northvale Segment Community Update Meeting 2021

INVITATION:

Welcome to the May 19th 2021 Community Update Meeting for the Exposition Bike Path Northvale Segment hosted by LADOT. The meeting will be held online and will be a time for LADOT and BOE to share progress updates with the surrounding communities.

Please use the following link to register for our online meeting on May 19th at 5pm.

<https://ladot.lacity.org/northvale>

Meeting Agenda:

- Project background
- Project description
- Access points
- Right of Way
- Delivery of the Project
- Questions and Answers

Project Overview

LADOT is working to construct a new bikeway north of I-10 between Motor Ave and Overland Ave. This project will close the existing gap in the Expo Bike Path, completing a continuous bikeway that runs roughly parallel to the Metro E Line (Expo) from Culver City to Santa Monica.

Project Delivery

Design:	December 2021
Right of Way Acquisition:	September 2021
Construction Bid and Award:	January 2022
Construction:	June 2022
Construction Completion:	June 2025

Project Status

Design and Right of Way Acquisition Phase
